## GROWTH

Majestic Plaza is happy to Congratulate both TGFI and the Association Of Fraternity Advisors, both of which recently grew their offices, by one room each. No empire is built over night, one brick at a time, or as the case maybe, one room. Both can be found on the third floor of the 9640 building.

## PUFF PUFF

With the mild weather here again, we encourage those taking smoke breaks during business hours to refrain from smoking in the front of the buildings, or high traffic areas. Please enjoy the use the gazebo or outdoor benches, where seating and ashtrays are provided. Thank you in advance.

## TAKE NOTICE

We have noticed that the trash receptacles have been filling quickly with the addition of several new offices to the park.

The park is currently scheduled for one pick up every Tuesday. Beginning this month we will have two pick-ups a week on Monday and Thursday.
